Saul had forgotten his rejection by the Lord. No man can defeat God's plans.

Jonathan was ordered to produce David because he was worthy of death. When the crown prince inquired the reason for his father's decision he found his own life was imperiled. Jonathan realized that his father was in no mood for him to ar-

cision he founthan realized that his father was in no mood for him to argue with him, so he passed over with a dignified silence the insults of his father's flery speech and left the table with a heavy heart because of his father's unjust treatment of David. He did not forget his duty to his father when he demonstrated his friendship for David, who probably had gone, as he stated, to Bethlehem for a family reunion.

Friendship cannot be capitalized. It

for a family reunion.

Friendship cannot be capitalized. It cannot be bought. No one enjoys friendship without paying the cost, which in the case of Jonathan was great. It meant the loss of his position, property, popularity and comgreat. It meant the loss of his position, property, popularity and comfort if he met David and warned him,
as they had agreed. There is nothing
that costs so much and consequently
is as valuable as friendship. Jonathan gave up his claim to the throne,
the property that went with royalty,
the popularity of the court and risked
the loss of his father's displeasure
and his own life to meet David. He
did not hesitate. The next morning he
was there at the appointed place with
the lad and arrows to warn David,

there was no need. They submitted their love to the sanctifying blessing of God. Their friendship lasted until Jonathan's death, when David in his Jonathan's death, when David in his lamentation acknowledged that the love of the crown prince for him had been wonderful. "passing the love of a woman." Christ calls us His friends if we do whatsoever He has commanded. He proved His friendship for us by His death. Let us prove ours for Him by obeying His commands to carry the gospel to every creature, so that through faith in the Lord Jesus they would be united with Lord Jesus they would be united with us in the bonds of friendship that will unite the nations of the earth in love for the Heavenly Father and abor for the welfare of humanity.

Are You Prepared?

A doctor in the house all the time would be a good idea. Yet you can't afford to keep a doctor in the family to keep baby well or prevent sickness. But you can do almost the same thing by having at hand a bottle of Fletcher's Castoria, because it is a wonderful remedy for indigestion, colic, feverishness, fretfulness and all the other disorders that result from common ailments that babies have.

Fletcher's Castoria is perfectly safe to use. It is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. Children cry for Fletcher's Castoria, and mothers recommend it because they have found it a comfort to children and a mother's friend.

If you love your baby, you know how sweet it is to be able to help baby when trouble comes. You cannot always call upon a doctor. But doctors have nothing but good to say of Fletcher's Castoria, because they know that it can only do good - that it can't do any harm and they wouldn't want you to use for baby a remedy that you would use for yourself.
